You are cordially invited to display your company's materials/services at the Minnesota Council of Teachers of Mathematics (MCTM) Fall 2011 Conference. The conference will be Friday, October 21, 2011 at Maple Grove Senior High School in Maple Grove, MN. Participants will include teachers of mathematics, pre-kindergarten through college. As in the past conferences, over 250 teachers are expected to attend although this year's conference is not a joint conference with science like most years.

Exhibits will be on display from 7:30 a.m. until 1:30 p.m. and will be situated to maximize visibility by conference participants. You may set up your booth on Thursday night, October 20 or the morning of the 21st. Details and driving directions will be included in your confirmation letter/email which will be sent at the end of September.

Included you will find an application form. The fees are \$150 for one table and \$100 for each additional table. Priority will be assigned on a first-come, first-serve basis and **no applications will be accepted after October 7, 2011**. The Exhibitor Registration form and all fees are to be returned to:
